

Frontend Developer Intern - Assignment

Objective:

Design and develop a webpage like the attached interface using HTML, CSS, JavaScript, Angular, ASP.NET.

Resources:

The screenshot shows the eZuite Employee Management System interface. It features a sidebar with navigation icons for Admin, HR, Recruitment, Inventory, Maintenance, Sales, Finance, Assets, and Settings. The main content area displays a table of employees with columns for First Name, Last Name, Address, Mobile, Email, Department, Designation, and Updated. The table is filtered to show 'Active' employees (16 total). The data is as follows:
